- 1321. They need to be punished actually it is good for them
- 1322. One kick from the back, one step forward
- 1323. Have you just provided it
- 1324. It's a quota from someone
- 1325. It might work for you but I can't be a good therapist for myself
- 1326. I'm not **either**
- 1327. I'm aggressive about myself
- 1328. I have not been able to manage it yet
- 1329. I always blamed myself
- 1330. When I do some things with low quality I always blame myself
- 1331. I'm a perfectionist and I want everything in the best
- 1332. Being a perfectionist is really difficult it makes you nervous, uncomfortable and stressful
- 1333. I need to make sure everything is perfect
- 1334. Sometimes you end up giving up
- 1335. Do you remember this approach
- 1336. You either force yourself to do something perfectly, or you decline to do it.
- 1337. An all-nothing approach
- 1338. I should go on a diet and go to the gym and have a healthy lifestyle but I do not have time to go to the gym, then I eat everything and don't care about my lifestyle
- 1339. We have no perfection in our world
- 1340. Everything has some flaws we have to admit it but we have to put it into practice
- 1341. I am aware of it but when it comes to doing it practically I'm the same person
- 1342. I don't know how you say that
- 1343. I can talk well but in practice, I'm an ordinary person
- 1344. I don't care what the people talk behind my back

- 1345. When I try to put it into practice I will get disappointing results
- 1346. I believe ignoring what others think about us is completely wrong
- 1347. You should care because it makes your reputation and your mind care unconsciously you can't trick your mind
- 1348. It should not be your priority and be an obsession for you
- 1349. You should not overthink about it
- 1350. It can affect your reputation
- 1351. We are social creatures
- 1352. It's essential to make a balance between our expectations and others' ideas
- 1353. You should care to prevent yourself from doing some disappointing work
- 1354. If someone comes and tells me about my hygiene
- 1355. I believe when you ask someone about their ideas, they are allowed to express their thoughts and it is sensible but If you don't ask them it won't make sense to share their ideas
- 1356. What about talking behind your back?
- 1357. Such cases are not very important to me to care about
- 1358. If someone criticizes me face-to-face it will be reasonable
